Join the Raleigh Drum Circle & Raleigh Parks & Recreation each third Monday of the month for the Lake Johnson Jam, a family-friendly community rhythm event. No experience is necessary and loaner drums are available. Come for all or part of the fun from 7-8:30 pm. When it's cold and wet we're in the boathouse, but when the weather is great we're on the deck or out on the lawn. For less than the price of a movie, you can enjoy a hands-on, interactive, rockin' good time! Only \$5/person or \$10/family.

Drumming has been used for centuries for healing, celebration and ritual. Drum circles encourage cultural awareness, embraces diversity, and promotes harmony through rhythm.

It is led by Professional Drum Circle Facilitator Gregory Whitt of Drum for Change - offering rhythm events for everyone. Learn more at [www.raleighdrumcircle.org](http://www.raleighdrumcircle.org) and [www.drumforchange.com](http://www.drumforchange.com)
